

DESIGN PORTFOLIO

WHAT I DO

I'm a passionate and versatile designer with a strong eye for creativity and detail. My work spans across multiple formats and platforms, blending visual storytelling with technical skill.

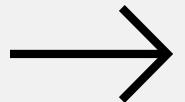

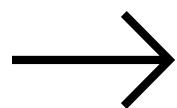

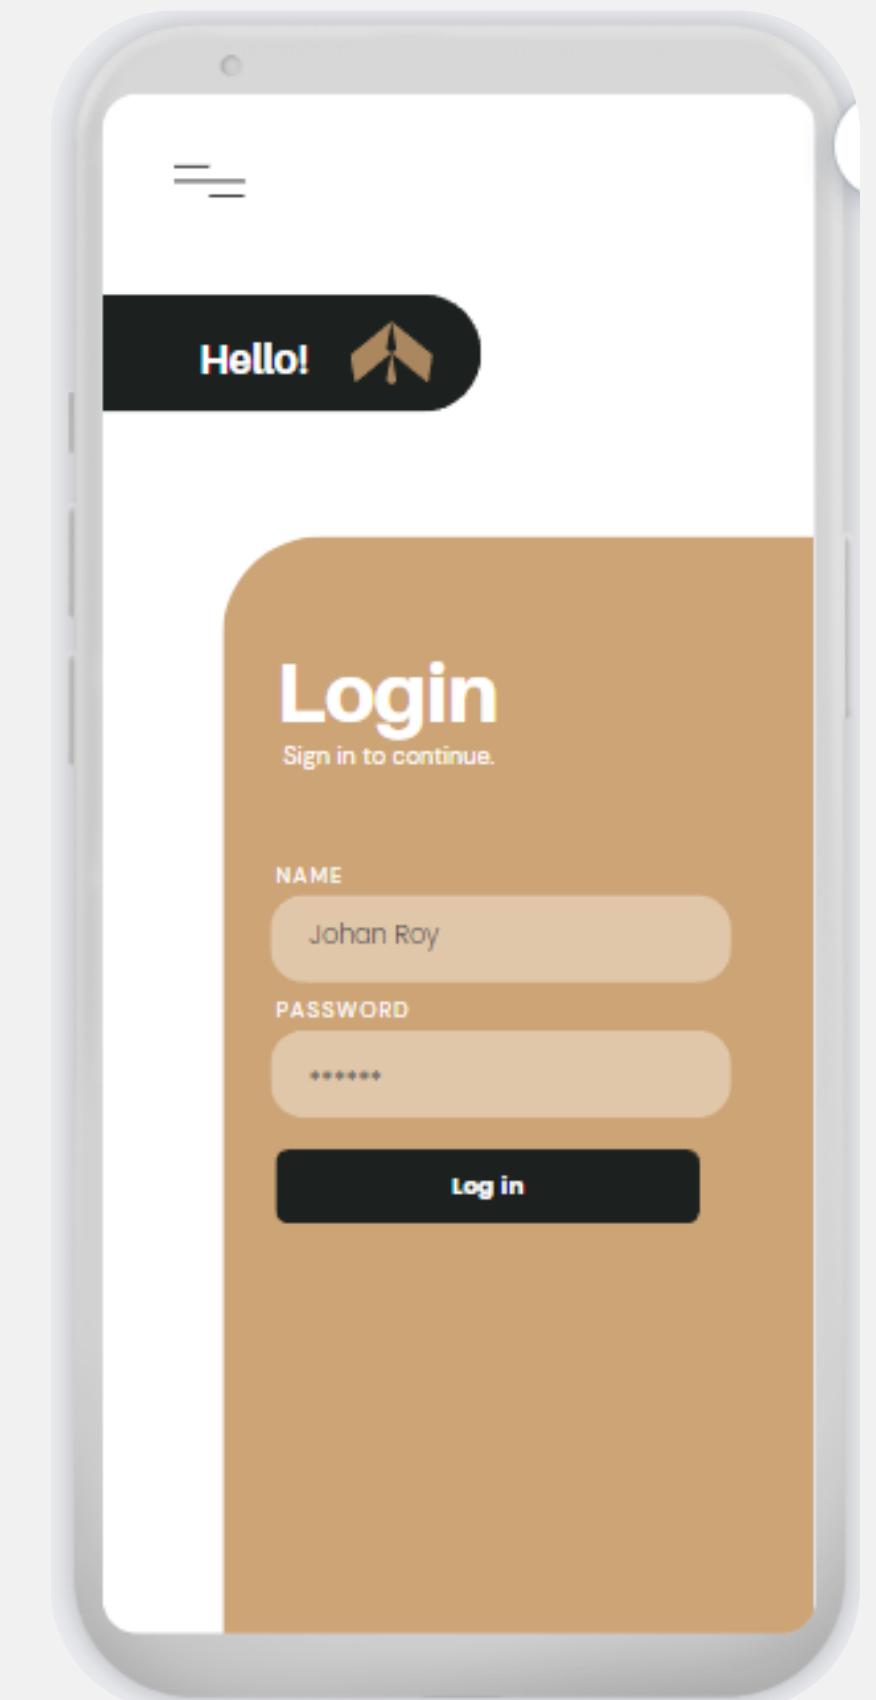

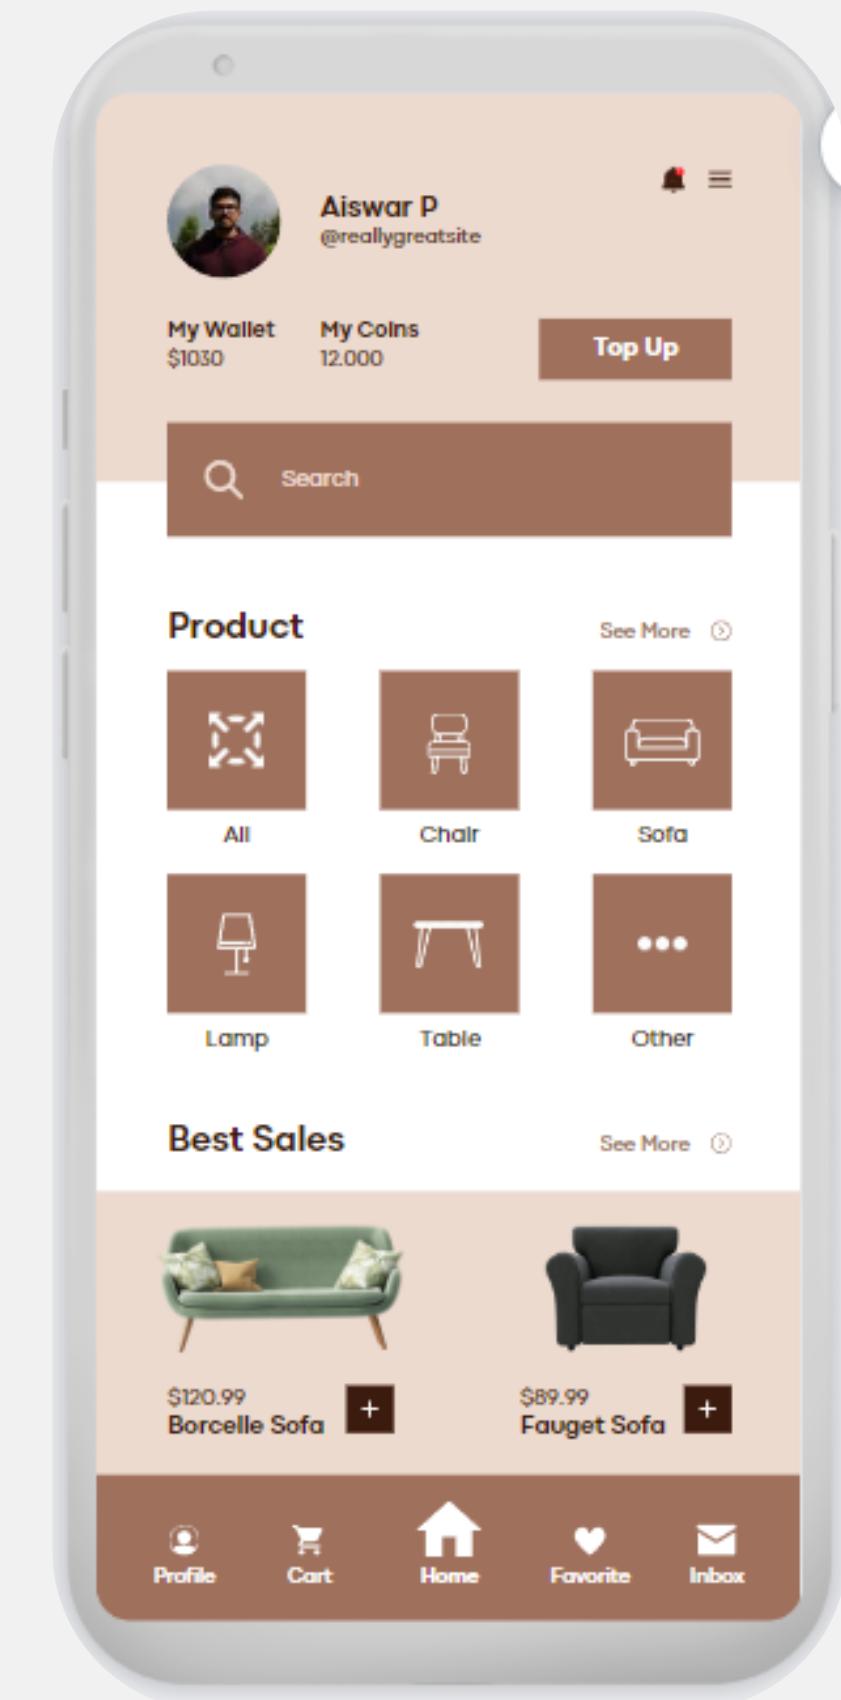

PHOTO EDITING

Designed in Adobe Photoshop using advanced masking and compositing techniques to create a creative nature-inspired visual effect from a portrait photo.

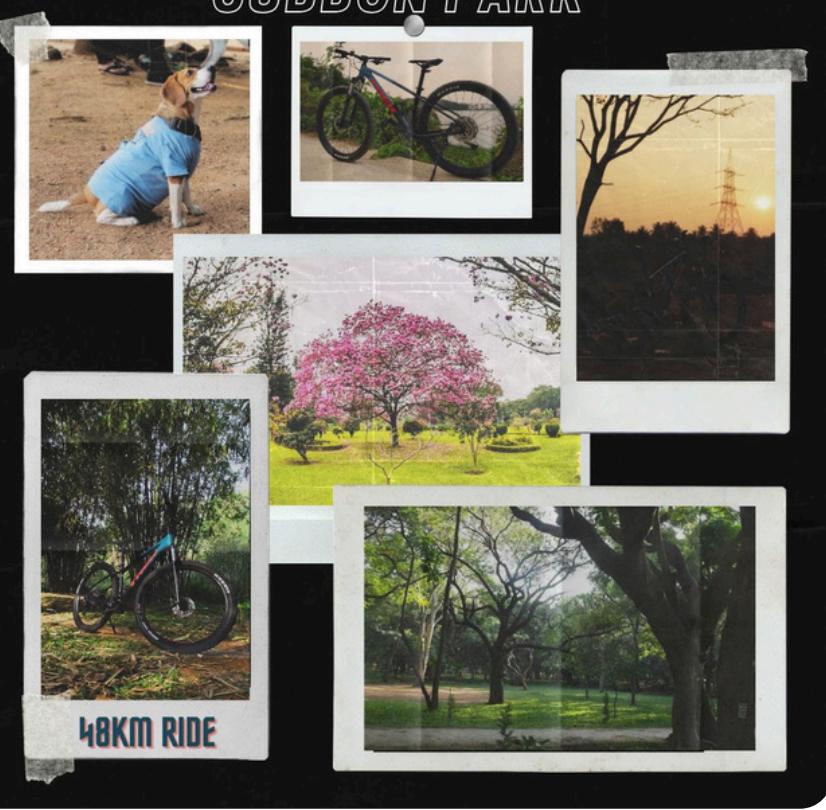

UI DESIGN

Designed a clean and user-friendly furniture shopping app interface using modern UI principles. Focused on layout, typography, and intuitive navigation to enhance user experience.

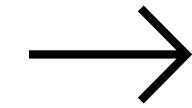

GUBBON PARK

POSTER & COLLAGE

Created using Photoshop and Canva,
highlighting my skills in layout,
composition, and visual storytelling.

LOGO DESIGN

Designed clean and purposeful logos for college projects and events. Focused on clarity, visual balance, and representing the theme effectively.
